amateur craft provides an illuminating and historically grounded account of amateur craft in the modern era from 19th century sunday painters and amateur carpenters to present day railway modellers and yarnbombers stephen knott s fascinating study explores the curious and unexpected attributes of things made outside standardised models of mass production arguing that amateur craft practice is differential a temporary moment of control over work that both departs from and informs our productive engagement with the world knott s discussion of the theoretical aspects of amateur craft practice is substantiated by historical case studies that cluster around the period 1850 1950 looking back to the emergence of the modern amateur he makes reference to contemporary art and design practice that harnesses or exploits amateur conditions of making from andy warhol to simon starling such artistic interest elucidates the mercurial qualities of amateur craft invaluable for students and researchers in art and design contemporary craft material culture and social history amateur craft counters both the marginalisation and the glorification of amateur craft practice it is richly illustrated with 41 images 14 in colour including 19th century ephemera and works of contemporary art

at first glance contemporary popular culture filled with bleak images of the future seems to have given up on the possibility of positive collective change below the surface however alternative culture is rife with artist led projects activist movements and subcultural communities of interest that seek to spark the collective imagination and to encourage hunger for alternatives more playfully self conscious than past utopian movements today s are often whimsical or ironic but are still entirely earnest artists invite us to re author city maps or archive individual ideas for the future while maker collectives urge us to

rethink our relationship to consumer goods all seem to have grown out of a similar do it yourself ethos and alternative culture one of the central conflicts informing these case studies is that while it remains immensely difficult to envision anything outside of the current system of consumer capitalism there is nevertheless a powerful desire to take it apart in piecemeal ways we see the longing for new social and political narratives new forms of communion and sociability and new imaginings of the possible longings that are currently unmet by mainstream culture but that are taking expression in myriad ways at the local level taken as a whole this collection examines what our grand ideals and playful daydreams tell us about ourselves
