the story rhonda judy and billie are having dinner over which they lament the fact that while their careers are flourishing their emotional lives are a wreck rhonda has just broken up with her boyfriend but is unable to jettison the oversize

julie a gallagher documents six decades of politically active black women in new york city who waged struggles for justice rights and equality not through grassroots activism but through formal politics in tracing the paths of black women activists from women s clubs and civic organizations to national politics including appointments to presidential commissions congressional offices and even a presidential candidacy gallagher also articulates the vision of politics the women developed and its influence on the democratic party and its policies deftly examining how race gender and the structure of the state itself shape outcomes she exposes the layers of power and discrimination at work in all sectors of u s society

considering the current climate of the treatment of women in hollywood following the harvey weinstein case many male celebrities have been brought forward on charges of sexual

harassment including woody allen who has once again appeared in the press in relation to historic charges of molestation within the context of the metoo era this edited volume brings together researchers to consider how women are represented in the broader sphere of hollywood cinema to consider the notion of the male perspective on writing women and to explore the various approaches to relationships with and between women on screen all through the lens of the work of woody allen while acknowledging the problematic consideration of the autobiographical nature of filmmaking this book explores the role and representation of women throughout allen s films plays stand up comedy and other writings with more recent industrial attention towards the production of his work notably amazon studios refusing to distribute a completed film the work of woody allen remains markedly problematic and demands interrogation demonstrating the timeliness of this current volume

these abstracts offer insights into a wide array of topics related to women s issues from education and employment to political representation and social roles the abstracts underscore the multifaceted nature of gender discrimination they highlight how these inequalities are particularly exacerbated during times of crisis emphasising the urgent need for research and action in these areas

winner of the pfizer award for outstanding book in the history of science margaret rossiter s widely hailed women scientists in america struggles and strategies to 1940 marked the beginning of a pioneering effort to interpret the history of american women scientists that effort continues in this provocative sequel that covers the crucial years of world war ii and beyond rossiter begins by showing how the acute labor shortage brought on by the war seemed to hold out new hope for women professionals especially in the sciences but the public posture of welcoming women into the scientific professions masked a deep seated opposition to change rossiter proves that despite frustrating obstacles created by the patriarchal structure and values of universities government and industry women scientists made genuine contributions to their fields grew in professional stature and laid the foundation for the breakthroughs that followed 1972

speculative film and moving images by or about black women and girls watch it examines depictions of african descended women and girls in twentieth and twenty first century filmmaking topics include a discursive analysis of stereotypes roles garnered by halle berry the only black woman to receive an oscar for best actress in a leading role the promise of characters relationships and scripts found in works ranging from altered carbon lovecraft country and hbo s watchmen series and a closing chapter that considers the legacy of black women in horror jeffrey legette illustrates the ways in which recent texts explore the trauma endured by people of african descent in the united states of america in evocative ways in doing so she provides a compelling interpretation of prevalent well received and recurring images of black women and girls in american popular culture
